present at different points along the route, as well as at the start and finish line, where a medical team and an assistance radio spot will be on hand.

There will be checkpoints along the routes where Organization staff will monitor the athletes' progress and carry out checks on obligatory material.

Anyone refusing to comply with these checks on obligatory material will be disqualified with immediate effect.

### **Art. 9 ENVIRONMENT**

Participants must respect the environment and avoid abandoning rubbish. Anyone caught dropping rubbish along the route will be disqualified from the race.

### **Art. 10 WEATHER**

In the case of adverse weather conditions (dense fog, severe thunder storms), the Organizers reserve the right to make last-minute changes, even during the race, to the route in order to eliminate potential hazards or conditions that could cause hardship for participants and volunteers. The staff shall inform the participants of any changes and signpost them.

The Organizers also reserve the right to suspend or cancel the race if weather conditions are such that they put participants, volunteers or medical teams at risk.

If the race is interrupted or cancelled for adverse weather conditions, or for any other reason not dependent on the Organizers, no fee refund will be made.

### **Art. 11 OBLIGATORY EQUIPMENT**

It is obligatory for athletes to have the following equipment with them, for the full duration of the race:
